SUMMARY

Motivated and driven student seeking an internship opportunity to apply and enhance technical skills. Possessing a solid foundation in programming languages such as HTML, CSS, Javascript, Bootstrap as well as database management systems. I am a quick learner and possess a strong commitment to personal growth and continuous learning. I have been actively pursuing various online resources, tutorials, and projects to enhance my skills in web development. Proactive and detail-oriented with a passion for problem solving and a strong willingness to learn. Excellent teamwork and communication skills, coupled with a strong work ethic. Eager to contribute to a dynamic organization, utilize editing skills and gain practical experience in a professional environment.
